Vibrant Capital Partners is pleased to announce that the firm's mezzanine CLO debt focused fund was named "Fund of the Year (sub \$1bn)" at the 2026 Alternative Credit Awards North America.

The Alternative Credit Awards North America recognize the region's most influential fund managers and service providers. Winners are selected by a panel of independent judges comprising industry experts alongside Alternative Credit Investor's senior editorial team, based on factors including industry impact, team expertise, and product quality.

Volkan Kurtas, Chief Executive Officer and Chief Investment Officer of Vibrant, said, "We are honored to receive this recognition from Alternative Credit Investor. For two decades, we have invested across the capital structure in corporate structured credit, and this award serves as validation of our distinct market expertise and our dedication to delivering exceptional results to our clients."

Kashyap Arora, Managing Director and Co-Chief Investment Officer of Vibrant, said, "This award reflects our team's continued commitment to differentiated credit analysis, creating bespoke opportunities, and generating consistent value. We are grateful to our investors and counterparties for their support and partnership, and we congratulate all firms recognized at this year's awards."
